

Local Planning Panel

20 May 2026

Application details

Address: 51 Buckingham Street, Surry Hills

Application: D/2026/64

Applicant: L.G.S. Enterprises Pty Ltd (Brian Vincent)

Owner: L.G.S. Enterprises Pty Ltd

Architect: Jeff Madden & Associates Architects

Consultants: Jeff Madden & Associates Architects

Proposal

- alterations and additions to a two-storey commercial office building known as Cleveland House
- including a new toilet block extension at the rear and removal of first floor in-fill facing the rear courtyard
- this proposal in large part was approved by the Local Planning Panel in 2020
- integrated development under the Heritage Act

Recommendation

Approval subject to conditions

Reason reported to LPP

The application is reported to the LPP for determination due to a variation to height of building development standard exceeding 10%

Notification

- exhibition period 4 February 2026 to 7 March 2026 (28 days)
- 657 owners and occupiers notified
- 2 submissions received

Submissions

- height
- view impacts
- solar access
- heritage impacts
- materiality of rear toilet block extension

east elevation and materials

Compliance with key LEP standards

	control	proposed	compliance
height	6m	7.9m	no (31.7% variation) clause 4.6 submitted
floor space ratio	1:1	0.625:1	yes

Compliance with heritage controls

	status	compliance
heritage conservation	- item listed on the state heritage register - local heritage item under the SLEP - contributory to Cleveland Gardens HCA	yes, subject to conditions Heritage NSW issued GTAs

Issues

- height, view impacts and solar access
- heritage and materiality

Height, view impacts and solar access

- Clause 4.6 variation submitted
- proposed height/built form and view impacts approved in 2020
- will not result in loss of panoramic city views
- many portions of building already exceeds height limit
- compliant solar access to private open space and balcony

Solar access (rear toilet block)

D/2019/1163 first floor approval

D/2019/1163/A first floor approval and
subject D/2026/64 proposal

Solar access (rear toilet block)

D/2019/1163 solar access diagram

Heritage and materiality

- approved by LPP in 2020
- General terms of Approval issued by Heritage NSW
- toilet block addition results in less intrusions into original building
- contemporary materials allow clear discernment from original building
