Purpose

To provide an Alternative Recommendation which includes a reporting mechanism for the First Nations Strategic Framework 2026-2030.

Background

At the meeting of the Corporate, Finance, Properties and Tenders Committee on 22 June 2026, further information was sought on the reporting mechanisms for the First Nations Strategic Framework 2026-2030.

The First Nations Strategic Framework, developed by the First Nations Leadership team, includes the development of an Evaluation Tool.

The tool will provide guidance for reflecting, improving and aligning our work with the vision and objectives of the framework. It will identify the processes for ensuring appropriate oversight and approvals of the work, and will help mitigate risks of making mistakes and doing harm when we work with Aboriginal and Torres Strait Islander people.

The tool will be used to inform an annual report, aligned with the timing of the current annual report of the Stretch Reconciliation Action Plan (RAP).

It is noted that the City will continue to report on relevant First Nations actions via 6-monthly Delivery Program progress reporting and via the Stretch RAP annual report.
