

Relevant Information for Council

FILE: X085351.002 **DATE:** 25 June 2026

TO: Lord Mayor and Councillors

FROM: Kim Woodbury, Chief Operating Officer

THROUGH: Monica Barone PSM, Chief Executive Officer

SUBJECT: Information Relevant To Item 7.6 – Project Scope - Alexandria Park Renewal

For Noting

This memo is for the information of the Lord Mayor and Councillors.

Purpose

To provide additional information on the project scope for the Alexandria Park Renewal project.

Background

At the meeting of the Environment and Climate Change Committee on 22 June 2026, further information was sought on the following:

Playground Design for Accessibility and Inclusion

The concept design and scope of works for the playground renewal and upgrade at Alexandria Park has been informed by the City's Open Space, Sport and Recreation Needs Study and the NSW Government's Everyone Can Play Guidelines which is a reference guide for creating playspaces designed to include everyone in the community.

The proposed playground is intended to provide opportunities for people of all ages and abilities. The specific playground equipment and features will be finalised during the detailed design and documentation phases.

Opportunities for Ongoing Use of Outdoor Court by Bike Polo

City staff will consult with the Bike Polo group who currently use the Basketball Court at Alexandria Park to discuss options to maintain Bike Polo activities at Alexandria Park. It is noted that maintaining Bike Polo at Alexandria Park would require the tennis court nets/poles to be removed and for these spaces to be able to be booked for sports other than tennis.

In addition, staff will identify alternative existing locations which could meet the requirements of the group.
