Parking - No Stopping and Loading Zone - Lower Fort Street and Cumberland Street, Dawes Point

2025/563887

Recommendation

It is recommended that the Forum review the following reallocation of parking in Dawes Point:

On the western side of Lower Fort Street between the points 85.3 metres and 95.3 metres (two car spaces) north of Downshire Place as "No Stopping";

Advice

The Forum raised no issues with this Item.

Background

A resident of Lower Fort Street, Dawes Point has requested consideration of a "No Stopping" zone on the western side of Lower Fort Street immediately after the pedestrian crossing to improve visibility for both pedestrians and drivers as they approach crossing point.

The relocation of the loading zone from the north side to the south side of Cumberland Street is proposed to allow deliveries to be made to the south side of Cumberland Street without crossing the road.
