Item 27

Traffic Treatment - Do Not Queue Across Intersection signage and Keep Clear pavement marking - Wentworth Park Road, Glebe

2025/587130

Recommendation

It is recommended that the Forum review the proposed installation of “Do Not Queue Across Intersection” signage and “Keep Clear” pavement marking on Wentworth Park Road, Glebe, at its intersection with Bridge Lane.

Advice

The Forum raised no issues with this Item.

Background

Wentworth Park Road, where it intersects with Bridge Lane, is currently a 40km/h, two-way road. During periods of increased vehicular traffic, queuing vehicles on Wentworth Park Road could limit the opportunities of right turning vehicles attempting to enter or exit Bridge Lane from or to Wentworth Park Road.
