Background

Our Inclusion (Disability) Action Plan 2021-2025 (IDAP) includes a series of actions to actively address barriers faced by people with disability.

One of the IDAP actions is to “continue to explore and implement strategies to increase access to on-street and off-street accessible parking and drop off points in the City of Sydney area”.

Therefore, the City is proposing to install "4P Mobility Parking Only 8am-10pm" in Ebsworth Street, Zetland.
