

Resolution of Council

29 June 2026

Item 7.5

Project Scope - Elizabeth Street and Randle Street Cycleway

It is resolved that Council:

- (A) approve the project scope for the Elizabeth Street and Randle Street cycleway as shown in Attachment A to the subject report for progression to detailed design and submission of a grant application for construction funding under the Get NSW Active program;
- (B) note the financial implications detailed in the subject report; and
- (C) note that the construction of the project is subject to the City receiving grant funding.

Carried unanimously.
