

Resolution of Council

29 June 2026

Item 7.4

Project Scope - South Eveleigh to Waterloo Metro Cycleway

It is resolved that Council:

- (A) approve the project scope for the South Eveleigh to Waterloo Metro cycleway as shown at Attachment B to the subject report and with amendments as described below in (B) for progression to detailed design and submission of a grant application for construction funding under the Get NSW Active program;
- (B) approve the following amendments to the exhibited concept design shown at Attachment B to the subject report:
 - (i) remove the bus-only restriction on Raglan Street between Botany Road and Cope Street; and
 - (ii) retain kerbside parking on the southern side of Henderson Road between garden Street and Wyndham Street;
- (C) note the financial implications detailed in the subject report; and
- (D) note that the construction of the project is subject to the City receiving grant funding.

Carried unanimously.
