This includes, but is not limited to, the identification of any requirements for temporary geofencing, restricted parking/drop-off zones, or the relocation of bikes to ensure they do not obstruct road closures, event operations, or present safety concerns.

Advice

Advice will be updated after the meeting.

Background

Freyssinet Australia has applied for the temporary road closure of Phillip Street, Sydney, between Bridge and Bent Streets (4 lanes), from 3am to 11pm on the 17-18 January 2026, 31 January 2026 - 1 February 2026.

Comments

The proposed temporary road closure is required to allow a mobile crane to be used to install cladding works on 1 Farrer Place, Sydney.

The Applicant has provided a site-specific Traffic Guidance Scheme that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closures.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closures will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Transport for NSW (TFNSW).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closures will be borne by the applicant.
