

Item 3.

Street Event - Temporary Road Closures - Anzac Day 2026 at The Clock Hotel

TRIM Container No.: 2026/013019

Recommendations

It is recommended that the Forum review the temporary road closures for the Anzac Day 2026 at The Clock Hotel on Saturday, 25 April 2026 from 10am to 11pm subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as stipulated in Schedule A of this agenda.
- (B) The Applicant must contact the Surry Hills PAC to discuss deployment of user pay police for the event.
- (C) The Applicant must contact the City's Venue Management Unit to discuss the event.
- (D) The Applicant must provide a telephone number of the supervisor responsible for the proposed event and include contact details in the notification letters to be distributed to affected stakeholders.
- (E) The Applicant must contact all shared e-bike operators within the City of Sydney Local Government Area to discuss the management of shared e-bikes within and around the event footprint. This includes, but is not limited to, the identification of any requirements for temporary geofencing, restricted parking/drop-off zones, or the relocation of bikes to ensure they do not obstruct road closures, event operations, or present safety concerns.

Advice

Advice will be updated after the meeting.

Background

The Clock Hotel has applied for the temporary road closures of Collins Street between Crown Street and Richards Lane for the Anzac Day 2026 at The Clock Hotel on Saturday, 25 April 2026 from 10am to 11pm.

Comments

The Anzac Day 2026 at The Clock Hotel is an annual event that requires the temporary closure of City streets and traffic detours around the event route.

Collins Street, Surry Hills between Crown Street and Richards Lane, adjacent to Shannon Reserve and the Clock Hotel, is a regular temporary road closure location for Surry Hills Neighbour events. Events in this location have not previously caused any traffic issues in the area with local access still available from other adjacent streets. There will be bump in times of 10am to 11am and bump out times of 10pm to 11pm on 25 April 2026.

There are currently no other approved temporary road closures proposed to take place on the same day.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule A.

Financial

All costs associated with the proposed closures will be borne by the Applicant.

VICKI CALLEJA, ENGINEERING TRAFFIC OFFICER
