Advice

Advice will be updated after the meeting.

Background

Borger Traffic has applied for the temporary road closure of Yurong Street, between William Street and Stanley Street, Darlinghurst, (four lanes) from 7am to 7pm on Saturday 7 March.

Comments

The proposed temporary road closure is required to allow a mobile crane to be used to lift chillers on the frontage of the Australian Museum, at 1 William Street.

The Applicant has provided a site-specific Traffic Guidance Scheme that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Transport for NSW (TFNSW).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.
