8.6 **Top-up and return of Guarantee**

- (a) If the City calls upon the Guarantee in accordance with this clause 8 then the Developer must immediately provide to the City a replacement Guarantee to ensure that, at all times until the Guarantee is released in accordance with paragraph (b), the City is in possession of a Guarantee for a face value equivalent to the Guarantee Amount.

9.3 **Not use information**

The purpose of any exchange of information or documents or the making of any offer of settlement under this clause 9 is to attempt to settle the Dispute. Neither party may use any information or documents obtained through any dispute resolution process undertaken under this clause 9 for any purpose other than in an attempt to settle the Dispute.

- (b) Subject to first receiving a tax invoice or adjustment note as appropriate, the receiving party must pay the GST amount when it is liable to provide the consideration.

- (d) If an adjustment event arises in respect of a taxable supply made by a Supplying Party, the GST Amount payable by the Receiving Party under clause 10.3(a) will be recalculated to reflect the adjustment event and a payment will be made by the Receiving Party to the Supplying Party, or by the Supplying Party to the Receiving Party, as the case requires.
