

Item 4.

Street Event - Temporary Road Closures - Sash on Sunday - Thomas Street, Haymarket

TRIM Container No.: 2026/473115

Recommendations

It is recommended that the Forum review the temporary road closure of Thomas Street, Haymarket for the Sash on Sunday event from 4am on Saturday, 3 October 2026 to 4am on the 4th of October 2026 subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as stipulated in Schedule A of this agenda.
- (B) The Applicant must contact the Sydney City PAC to discuss deployment of user pay police for the event.
- (C) The Applicant must contact the City's Venue Management Unit to discuss the event.
- (D) The Applicant is to obtain a Road Occupancy Licence from the Transport Management Centre prior to commencement of works.
- (E) The Applicant must provide a telephone number of the supervisor responsible for the proposed event and include contact details in the notification letters to be distributed to affected stakeholders.
- (F) The Applicant must contact relevant Bus Operators and arrange and pay for the rerouting of bus services around the closure, the temporary relocation of bus stops and any additional staff required.
- (G) The Applicant must contact all shared e-bike operators within the City of Sydney Local Government Area to discuss the management of shared e-bikes within and around the event footprint. This includes, but is not limited to, the identification of any requirements for temporary geofencing, restricted parking/drop-off zones, or the relocation of bikes to ensure they do not obstruct road closures, event operations, or present safety concerns.

Advice

Advice will be updated after the meeting.

Background

Solid Circles has applied for the temporary road closure of Thomas Street between Jones Harris Street for the Sash on Sunday event from 4am on Saturday, 3 October 2026 to 4am on the 4th of October 2026.

Comments

Sash on Sundays is a recurring event that requires the temporary closure of City streets and traffic detours around the event.

Notices of no parking within the event footprint during the event road closure will be installed a minimum of eight (8) days prior to each event to provide adequate notice to residents, businesses, and road users. The advance notification aims to reduce the likelihood of vehicles being parked within the event footprint on event days.

There are currently no other approved temporary road closures proposed to take place on the same day.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule A.

Financial

All costs associated with the proposed closure will be borne by the Applicant.
