Advice

Advice will be updated after the meeting.

Background

In early 2022, the City introduced a series of Sydney Summer Streets events closing several high streets to support communities during the pandemic. The initiative was an opportunity for local businesses to extend their trade onto footpaths and outdoor settings. Following the success of the Sydney Summer Streets events, the City now plans to hold similar Sydney Street events throughout the year to support communities and local businesses.

Comments

The Sydney Street 2027 is an ongoing event that requires the temporary closure of City streets and traffic detours around the event route.

The cycle paths in Union Street, Miller Street and Saunders Street will remain open except in the event area at the intersection of Harris Street and Millers Streets. People who are riding past the intersection will be required to dismount and be guided by traffic controllers to walk their bicycles past the event area.

There are currently no other approved temporary road closures proposed to take place on the same day.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule A.

Financial

All costs associated with the proposed closures will be borne by the Applicant.
