

Item 6.

Public Exhibition - Naming Proposal - Wiriyagan Place, Alexandria

File No: X092423

Summary

As part of the development of the Alexandra Canal Depot, a new private road was built and requires naming.

This report recommends that, subject to community consultation, Council provide in-principle approval to name a private road on this site "Wiriyagan Place".

Wiriyagan (pronounced wirr-ie-yay-gan) is a Gadigal word, documented in Jakelin Troy's book *The Sydney Language*, describing a low-growing fruit-bearing tree, either a prostrate banksia or a melaleuca.

The use of Gadigal language and the choice of a resilient local endemic plant shows respect to the men and women including Aboriginal staff who work at the depot and who care for the trees throughout our city.

This naming proposal complies with the City of Sydney naming policy.

Recommendation

It is resolved that Council:

- (A) provide in-principle approval to name the road "Wiriyagan Place" and that the name be placed on public exhibition for community comment for a minimum period of 28 days; and
- (B) note that a further report will be submitted to Council, detailing the results of the public consultation process.

Background

1. As part of the development of the Alexandra Canal Depot, a new private road was built to connect the depot with Bourke Road, Alexandria.
2. This is a private road that Council is responsible for maintaining and naming.
3. Staff at the depot strongly supported recognition of Aboriginal and Torres Strait Islander culture at the facility through the naming of rooms and through artworks.
4. "Wiriagan" is a Gadigal word, documented in Jakelin Troy's book *The Sydney Language*. It describes a low-growing fruit-bearing tree, a prostrate banksia or a melaleuca.

These staff members are directly involved in Caring for Country, including maintaining the trees and streets throughout our city.
6. The proposed name complies with the City of Sydney naming policy. Specifically:
 - Principle 2: Uniqueness - duplication is avoided with other existing names in a 10-kilometre radius.
 - Principle 3: This name acknowledges the multicultural nature of our society. Inclusiveness and addressing the imbalance of previous approaches are significant priorities for new names.
 - Principle 4: New names using local Aboriginal language are encouraged, especially for parks and open spaces, and shall be in the local Gadigal language.
 - Principle 6: Local or Cultural Relevance - the name has local relevance, reflecting the heritage and history of the local landscape and its plants.
 - Principle 13: This name conforms to the Geographical Names Board policies on addressing and place names as evidenced by the fact that "Wiriagan Place" has received in-principle approval from the Geographical Names Board.
7. On 13 November 2024, the name was presented to the City's Aboriginal and Torres Strait Islander Advisory Panel and they were supportive of the name.
8. On 15 November 2024, the name was approved by the Metropolitan Local Aboriginal Land Council.
9. "Wiriagan Place" has received pre-approval status with the Geographical Names Board. This means that the proposed name complies with the Geographical Names Board's requirements for language use for road names and that there are no duplication issues with this name. It has been thereby reserved for City of Sydney use as a road name for a period of 2 years.
10. Naming this private road is important for wayfinding and access for emergency vehicles.
