- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule B of this agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant must contact the Inner West PAC to discuss deployment of user pay police for the road closures.
- (D) The Applicant must provide a telephone number of the supervisor responsible for the proposed closures and include contact details in the notification letters to be distributed to affected stakeholders.

Advice

Advice will be updated after the meeting.

Background

The City has applied for the temporary road closures of Albert Street, Septimus Street, John Street, Erskineville, between Erskineville Road and Charles Street, from Thursday, 16 October 2025 to construct traffic treatments.

Comments

The proposed temporary road closures are required to enable the construction of Continuous Footpath Treatments in John Street and Septimus Street, at Albert Street.

The Applicant has provided a site-specific Traffic Guidance Scheme that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closures.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closures will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closures will be borne by the applicant.
